

**By John Zachry**

Having done the Entered Apprentice and Fellowcraft Degrees as a young man, John D'Agostini, Sheriff of El Dorado County, is completing his journey, and is going to be raised at his home Lodge, Drytown Lodge #174 in Plymouth.

*El Dorado County Sheriff, John D'Agostini*

**“You don’t need to know any of the other stuff, just be there on time.”**

***Advice from John's dad on how to prepare for the 3rd degree.***

“After I turned 21, I asked my dad and he sort of got the ball rolling for me and I went through them -boom-boom, pretty fast, then I got side tracked with life. With my focus on my young family and a career change in the early 90’s, I kind of fell out [of Masonry] for a long time” said D’Agostini “The time is now right to do this”.

Armed with the knowledge that D’Agostini had not yet done the Fellowcraft proficiency and that he was on the doorstep of being a Master Mason, John “Dusty” Deryck went and saw D’Agostini in his office. He said “John you are going to do your proficiency in the Lodge and I will be your coach. We will meet at least once or twice a week in your office and you will do your proficiency” John looked Dusty in the eye and said “you’re serious, aren’t you”. Dusty said “yes, I AM serious”. So with scheduling help from Janine, (John’s wife) a regular meeting on Tuesday afternoon at 4:00 was set up and in Dusty’s words, “let me tell you, he is a SHARP, FAST learner!”. He very quickly learned it and passed his proficiency in open Lodge with

his Father in attendance.

“Back when I was a little boy, they

## Calif. Masonic Posse

The CA Masonic Posse AKA “the Posse” is a Third Degree Ritual Team whose members are active, retired or former Law Enforcement Officers who are Master Masons. Service in Law Enforcement may be Federal, State, County or Municipal Government. Some Military job descriptions and Fire Service Investigators qualify. The Posse was originally founded as the County Employees Square and Compass Club with Wor. George Hesse as Secretary and Director. When Wor George retired, about 1980, he was relieved by Former Santa Clara County Sheriff Robert E. “Bob” Winter, PM. Since the membership was composed of Law Enforcement Officers, the group was renamed “the California Masonic Posse”

Worshipful Master - Jason Burgess • (916) 501-3812

Brethren,  
August is upon us, and we have a nice light month ahead.

We have raised quite a few masons in the first part of this year. Now, we have found ourselves to be in for a little break. Aside from one possible first degree, this month will be quiet.

Of course, practices will continue as usual. And you all are welcome to come!

Other than that, we will be taking the time to see friends and family before the new school year starts and the hum of frantic modern life resumes.

While you are enjoying your summer and any well earned rest you might be lucky enough to have time to take, consider this: Are you still making time to demonstrate the Masonic principles you learned in lodge?

Have you reached out and given anyone a hand? Said a kind word? Lent a little relief? I hope so. In these times that little extra kindness or concern can make all the difference to someone sitting silently on the edge. You could be the thing that keeps them from falling.

I hope the rest of this month keeps you all well. I would most sincerely like to see you in lodge, or just hear how you are doing these days. If you need help, give us a call or drop us a letter. If you know someone else who might need us, let us know that too. Given the diversity of our membership, odds are

there is someone with just the thing you need waiting to give you a hand. All you need to do is ask, just like when you joined.

I hope you enjoy the poem I found for this month, and we will see you again in the Fall!

Faternally,  
Jason W. Burgess, PM Hiram #25, Master

## Trestleboard

The “dog days” of summer are now upon us and while many are enjoying their vacations, time with the kids, and perhaps lounging with a cold drink in the shade, your lodge continues to be active in the community. I’m proud to say that so far this year our inter-lodge (Placerville 26 and Hiram 25) Senior Support Committee has had the pleasure of aiding our senior members and their widows in any number of tasks. From shoveling snow to helping in a move, the effort is really getting underway and starting to make a tangible difference to our members and their families in need of some assistance. However, the time is long overdue to take this program to the next level and starting in September we will be contacting all of our Masonic widows and more actively seeking to provide aid and assistance as necessary. For too long we’ve been content to send the occasional sympathy or get-well card and perhaps hold a widow’s night dinner. While these are all well and good we can do better and starting in a few weeks I’ll be approaching our membership and asking for suggestions and help in setting up a regular schedule of check-ins for our widows who might desire such a service. More to come on this so stay tuned!

Speaking of activities, we all owe Jr. Warden Brian Creel a big thanks (along with the brethren of Hiram 25) for doing such a great job on our annual July 4th picnic at High-Hill Ranch in Camino. The weather could not have been better (not too hot, not too cool) and with two separate waves of attendees we had well over 100 folks come and enjoy the food, games, and camaraderie. Collaborating with Hiram 25 just makes this event so much better and meaningful and it’s always a blast to see everyone outside of the lodge for a change. The afternoon was topped off by Hiram’s presentation of the much-deserved Hiram Award to Brother John Zachry. It was a great presentation and a memorable moment for John and everyone who was there.

At our July stated meeting/dinner (which, if you missed it you missed yet another good one) was also memorable as we awarded our own Hiram Award to Brother Jimmie Waldon. Jimmie’s dedication to Masonry and its tenets and his remarkable support for our veterans led to this recognition and I can think of no-one more deserving. That evening was also a double-header as dinner was a classic summer BBQ served up by members of the Placerville Police Officer’s Association. The tri-tip, teriyaki chicken, beans, salads, and sides were fantastic and the home-made chocolate mousse was a real crowd-pleaser. A lot of folks went back for seconds (and thirds even) and by the end of the dinner there were only scraps left...a testament to the quality of the meal. As a fund-raiser for the PPOA, it was also a big success and between passing the hat and their profits from the meal I believe we raised somewhere in the neighborhood of \$400 for the evening and gave out a couple of applications for membership as well. Not bad at all and you can bet we’ll be having the PPOA grill masters back again in short order!

**Worshipful Master - Brian Ludwig • (530) 647-0872**

For the month of August, there are two notable events taking place. First and foremost, we will be setting up the Kid’s ID booth at the National Night Out evening in front of the library on Tuesday, August 2nd. This is a really fun event and not only do we get the opportunity to provide parents with readily-accessible ID information for the children, it’s always a very well-attended program and really helps raise and maintain Masonry’s profile in the community. Also, the following Saturday (August 6th) at Drytown Lodge in Plymouth, El Dorado County Sheriff John D’Agostini will be raised to the sublime degree of Master Mason following that lodge’s stated meeting that starts at 10:00 am (see the GCM front-page article). While one of the many great things about Masonry is that we all meet “on the level” and no-one, from the Grand Master to the newly-raised brother is more “important” than another, especially considering the strong law-enforcement history in Placerville 26, it will be an especially significant raising. If you can make it that day, keep in mind that Plymouth is a pretty small town and parking close to the lodge will be at a premium. I’m sure we can also arrange plenty of car-pools to minimize the hassles.

Lastly, we are going to have very unusual and special presentation at the August stated meeting dinner and we will also be having another of our so-far very successful opportunity drawings. Items to be included in the drawing will include a really nice “spa” package donated by M.W. Fred and Marlene Sorsabal, bottles of Korbel Champagne, another lot of vintage Masonic history books, and loads of other goodies. Please don’t forget to call Brian Creel for reservations and we’re looking forward to seeing ya’ll there and continue to have a great summer! - Brian Ludwig, W.M. Placerville #26

## (D'Agostini, Continued from Pg.1)

used to have the Masonic Picnic every year, back here on the Ranch, right down the hill from where I live now” said D’Agostini, “I grew up well aware that my Grandfather, John, D’Agostini (former Supervisor for El Dorado County) was a Past Master, and I remember my Dad [Robert “Bob” D’Agostini] going to Lodge on Wednesday nights.” Even Janinne has an uncle Bill who was a Past Master. The D’Agostini family roots are deep in El Dorado County, John’s being the 4th generation in the county, clearly their Masonic roots run deep also.

The busy schedule of a County Sheriff may make attendance at all Lodge functions challenging, but John is well aware of the benefits that being active in any organization bring. His being Raised on the 6th opens the door for him to continue his Masonic Education and he knows that the York Rite, Scottish Rite and Shrine will all be available to him. The time is right for John, the stars (badges maybe?) have aligned and we will finally be able to call John “my Brother”.

We should take this opportunity to also look at others who have gotten sidetracked with life, who just have the Entered Apprentice or Fellowcraft degrees, and make a visit, much the way Dusty did, to help them complete the journey.

The California Masonic Posse will be conferring the Degree (See article on pg. 1) at Drytown Lodge in Plymouth. It’s been rumored that our former Sheriff, (Past Potentate, Past Master, etc., etc.), Hal Barker may have had a hand in them coming. The Lodge is located on Church and Main St. in Plymouth, just about 25 minutes south of Poor Reds turn, in the town of El Dorado off Hwy 49. The schedule is to have the degree right after the Stated Meeting on Saturday August 6th. The Stated meeting starts promptly at 10:00a.m. with the degree to follow. Afterward is a BBQ with hot-dogs and hamburgers at not cost to guests in attendance, but you are asked to please bring your favorite side-dish, dessert or cold beveredg to share. You are also welcome to bring your spouse or girlfriend. The Secretary of Drytown Lodge Phil Hardiman, has asked that if you plan to attend, please RSVP to him at (916) 488-3708 or e-mail to: phillipandnancy@aol.com. or call John “Dusty” Deryck at (530) 621-1222 so they can get a head-count.

Plymouth has been described as a “Country Lodge” who’s informality and friendliness are in their DNA, it’s going to be an August morning with a ton of guys in a small Lodge, you will want to dress comfortably (please no shorts, but tie or jacket are not necessary either).

Biography: from [www.johndagostini.com](http://www.johndagostini.com)

John D’Agostini is a 4th generation resident of E Dorado County who is committed to protecting our community values and rural lifestyle for future generations of families. He graduated from local schools and enjoyed a wholesome childhood filled with fishing at the local pond, hiking, 4-wheeling and numerous other adventures while liv-

ing in El Dorado County.

John recalls when the local Deputy stopped by to talk and knew all of the neighborhood kids and their parents. As El Dorado County Sheriff, John’s goal is to bring back those practices.

After graduating from high school, John worked in construction from 1983 to 1994. John obtained his General B Contractor’s license. He ultimately started and ran his own construction company building homes and providing jobs primarily in El Dorado County.

Pursuing a lifelong interest, John worked his way through the Sacramento County Sheriff’s academy and was recruited by the late Amador County Sheriff Ken Blake and became a full time Amador County Deputy Sheriff in 1994. Throughout his career he has served in numerous positions which include Cities Deputy, Chief Deputy Coroner, Detective, SWAT Team Member, SWAT Sniper, Crime Specific Officer, Narcotics Investigator, Armorer, Rangemaster and Firearms Instructor. In 2001, John was promoted to Sergeant and assigned to supervise the narcotics unit.

In 2003, John went to work for the District Attorney’s Office where he investigated complex criminal cases and successfully managed homicide investigations from beginning to end. He went on to develop new programs and policies to streamline law enforcement bureaucracy and improve public safety. As a leader in law enforcement, John was appointed second in command for the newly formed Amador County Combined Narcotics Enforcement Unit (ACCNET).

John’s grandfather served on the El Dorado County Board of Supervisors in the 1960’s. His father served as a Pioneer Union School District Trustee where John, his brothers, and John’s 4 children and 5 nieces & nephews all attended and are still attending kindergarten through 8th grade. Following in his family’s footsteps of serving the community, John ran for and was elected to the Pioneer Union School District Board of Trustees in 2003 and reelected in 2007. John continues to serve on the school board where he has fought hard to balance difficult budgets with a steady reduction in revenue and believes every child deserves a positive and safe learning environment.

John is an active member of the El Dorado County Chamber of Commerce, National Rifle Association, California Narcotics Officers Association, California District Attorney Investigator’s Association and the California School Board Association. In addition, John has coached little league baseball, girl’s softball and boy’s basketball. John continues to be active in the local community through his involvement in numerous cultural and civic events.

John lives with his wife Janine in Mount Aukum in a home they designed and built. They have been happily married for 24 years and are the proud parents of four children. They plan to see the next generations of their family continue to live in El Dorado County and have a vested interest in preserving the rural charm, quality of life and safety for families in our county.

# BY THE WORK YOU DID TODAY

By Charles L. Mead 33°  
Boynnton Lodge #236

Can you say tonight in parting  
with the day that's slipping past  
That you helped a single brother  
of the many that you passed?

Is a single heart rejoicing  
over what you did and said?  
Does the man whose hopes were fading,  
Now with courage look ahead?

Did you waste the day or lose it,  
Was it well or poorly spent?  
Did you leave a trail of kindness,  
Or a scar of discontent?

As you close your eyes in slumber,  
Do you think God will say,  
You have earned one more tomorrow,  
By the work you did today
